6. New Business - Talk by Mrs Babara Foad of Home Start, Garioch. Mrs Foad explained Home Start's role, which is to help families at home with children under five, who are experiencing problems. They are funded by Grampian Regional Council Social Work Department, but are also a registered charity. They recruit local people who are experienced parents or grand-parents, to go in on a regular basis to pass on various skills. The family must agree to have a volunteer. They are run by a management committee, whose members include the headmistress of Alehousewells Primary School. They have ample funds and volunteers for the present, but they need their existence to

be known throughout the community so that the volunteers can get to the families who need them. A piece to go into the Newsletter.
