

EMERGENCY CONTACT DISC

Next of Kin

Emergency Contact Information

Name: _____

Relation: _____

Tel: _____

Address (optional) _____

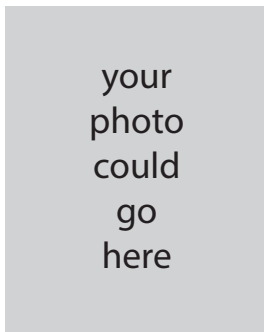

Driver

Medical Alert Information

Name _____

DoB _____

Medical Alert

Regular Passenger

Medical Alert Information

Name _____

DoB _____

Medical Alert

Share with your family, friends and colleagues

you could help save a life!

Step One

Print out this sheet and fill in your emergency contact details and medical information.

Step Two

cut and fold along the dotted lines to prevent information being visible and insert into your tax disc holder.

If your next of kin address is the same as the owner or driver then consider leaving this section blank. Address details are optional and we would not advise you to include any details you are uncomfortable about sharing.

You can use the spare circles to add additional information or details about regular passengers.

Access to health and next of kin information could be critical at the scene of a collision or medical emergency.
